NATIONAL INSTITUTE OF SPEECH & HEARING

(An autonomous organisation under the Social Justice Department, Government of Kerala)

Accredited as Excellent Institution by RCI | ISO 9001:2015 Certified | Accredited by NAAC with A Grade

CRITERIA 2: TEACHING LEARNING AND EVALUATION

2.5. Evaluation Process And Reforms

Criteria 2.5.1 Mechanism Of Internal Assessment Is Transparent And Robust in Terms Of Frequency And Variety

Criteria 2.5.1 Mechanism Of Internal Assessment Is Transparent And Robust In Terms Of Frequency And Variety

BASLP and MASLP

KUHS follows the following criteria for internal assessment.

- For the BASLP program 25% of the total marks for each subject is calculated from Internal assessment. 50% of the IA is calculated from the average of marks obtained from two internal examinations and remaining 50% from day to day assessment (attendance, assignment, class interactions). For the clinical practicum internal assessment is based on the clinical skills in assessment, remediation, clinical case presentation and clinical viva. The class average of internal assessment marks in each subject should not exceed 75% (regular examination) and 80%(supplementary examination), both in theory and clinical practicum. A minimum of 50% marks for internal assessment is required for each subject to appear in the university examination.
- For MASLP and MSc.AUD programs weightage for internal assessment shall be 20% of the total marks in each subject. Calculation of internal assessment marks are same as Bachelors program.

Academics Rules and Regulations - KUHS

- <u>Attendance</u>
- 1. minimum 80% of attendance in theory and 90 % in clinical practicum 2. Condonation of 10% in the attendance once in the entire course period can be granted by the Head of the Institution and the same may be communicated in the university. Condonation is not applicable during internship program
- 3. Semester beginning and ending as per schedule/KUHS
 - 4. A student availing a leave should intimate the respective class coordinator and clinical supervisor and should fill the online leave application. Those students with medical certificates should attach the soft copy of medical certificate along with the online leave application and hard copy should be submitted if required by the class coordinator.
- 5. Students attending seminars, conferences, official duties should take prior permission from Class Coordinator, Academic Coordinator and Head of the Department for getting the attendance and clinical hours if allowed.
- 6. Attendance online in ASPDR with editing facility to the respective staff and viewing facility to all students.
- 7. Class coordinators to check for the student's attendance every month end and those having less attendance needs to be alerted
- 8. Attendance will be calculated based on the total number of hours taken for a particular subject. For eg: 2 hours of class a day will be marked as 2 in the google attendance sheet. 9. The attendance sheets for the particular semester will be freezed after the semester and the printed version will be signed by the respective staffs and kept for documentation.
- Internal Assessments
- Weightage for internal assessment shall be 25% of the total marks in each subject. There shall be minimum of 2 examinations and average will be taken as 50% of the internal assessment.

The remaining 50% of the internal assessment will be based on day to day assessment.

- Internal assessments will be conducted on the stipulated date, for two hours.average of the same will be taken as the 50% (12.5 marks) of the internal assessment. Balance 50% of the internal assessment (12.5 marks) will be based on attendance (5 marks), assignments (5 marks), general interaction and performance in class (2.5 marks)
 - Internal assessment Marks Awarded
 - Average of two exams (two exams conducted 12.5 marks
 - $\circ~$ for 50 marks each and (exam 1+exam 2)/8 will
 - be done to get marks in 12,5
 - \circ Attendance 5 marks
 - Assignment 5 marks
 - General performance and class interactions 2.5 marks

12. The question papers for the internal exams should be set by the specific faculty in the format given and a copy of the same should be sent online to the academic coordinator for documentation.

13. The pattern of question paper for the internal examinations (KUHS) will be as follows

Write three Essay. All compulsory (10 marks each)

- 1..
- 2..
- 3..

Write shorts notes. All compulsory (5 marks each)

- 1..
- 2..
- 3..

Answer Briefly. All compulsory (1 marks each)

- 1..
- 2..
- 3..
- 4..
- 5..

14. Answer papers should be evaluated and marks should be entered in the google sheets given in the ASLP Dashboard within a week of the completion of the respective exam.

16. Signed Attendance and IA sheet of internal exams should be sent online to the Academic coordinator and Class coordinator for documentation purpose.

17. This marks card will be viewable and commendable for students and staffs. However, editing facility will be given only for the respective staffs.

18. Only one remedial exam out of twenty if needed (if combined IA less than 12.5, and with valid medical certificates, if permitted by the faculty, Academic Coordinator and Head of the Department), will be conducted for students if their internal marks are less than fifty percent and for those who were absent for the internal assessment exams by the end of the semester on the stipulated dates. Those attending the remedial exams will only be provided with the minimum requirement for getting eligibility to write university exams.

19. Marks of first two internal assessments will be combined and the total marks will be calculated in twenty five. If the calculated IA is less than 12.5, the marks of the remedial

exam (in twenty) may be used and an average can be taken for calculating the new IA (The IA after the

remedial exam.

20. The statement of internal assessments and attendance should be signed by all students on the date stipulated by KUHS and will be uploaded to the KUHS Website, .a copy of the same should be forwarded online to academic coordinator for record purpose.

Promotion

19. minimum of 50% marks for internal assessment in a particular subject in order to be eligible to appear in the university examination

20. For each theory subject a candidate must obtain a separate 50% mark for university examination, 50% for internal assessment and 50% for Practical (wherever applicable). 21. For each clinical practicum, a candidate must obtain a separate 50% mark for the university examination and 50% for internal assessment

22. Before the commencement of internship the candidate should have passed in all the subjects of all the six semesters.

Clinical practicum

23. The students will have to pass the clinical practicum examination of the given semester to proceed to the next semester

24. University examinations for Clinical Practicum at the end of 2nd, 3rd, 4th, 5th, 6th and 8th. The Clinical Practicum examination form even semesters (2nd ,4th ,6th&8th) will be conducted by an external examiner along with an internal examiner , Clinical Practicum examination at the end of odd semesters (3rd and 5th) will be conducted by internal examiners.

25. The practical records will be evaluated during Clinical Practicum examination. 26. Clinical Practicum Examinations for 7th and 8th semester shall be conducted at the end of 8th semester 27. KUHS norms requires 160 clinical hours both in audiology and speech-language pathology accounting to 320 clinical hours in each semester. The requirements can be met by the given split up accounting time for CCH, staff interactions, documentation and clinical practicums of individual subjects.

Clinical Practicum	Speech pathology	Audiology
Total requirement per semester -320 Hrs	Total requirement -160 hours	Total requirement
Client contact hours 100 Hours 100 Hours		
Clinical practicum requirements 20 Hours 20 Hours		
Clinical documentation 10 Hours 10 Hours		
Staff interaction 20 Hours 20 Hours		
Clinical assessments in the end of the	10	Hours 10 Hours

semester

• 28. The internal marks for the clinical practicum audiology and SLP internal examinations will be given as follows

Areas Marks awarded

Internal viva 10 (40%)

Clinical Skill matrix 10 (40%)

Client contact hours 5 (20%)

29. The clinical practicum marks for each subject will be calculated based on the clinical practicum requirement given in the syllabus. Ten marks will be awarded for each requirement and marks in 25 will be awarded based on the work done and performance in the clinical assessment in the end of the semester.

30. A specific protocol for the conduct of each clinical practicum work and assessment should be prepared and submitted to the academic coordinator and head of the department prior to the beginning of the semester.

31. The client contact hours and marks for the same will be awarded based on the approved hours in the clinical sheet for both audiology and speech-language pathology on the stipulated date in the academic schedule.

32. The forms for clinical Skill assessment of MASLP/MSc Audiology/MSc SLP should be circulated on the first day of internal assessments and should be filled and submitted within a week.

33. As per the existing decisions, marks for client contact hours and attendance will be awarded as follows.

BASLP Theorem	ry	BASLP Clinical Practicum						
<u>Percenta</u> ge	<u>Marks</u> awarded	Percentage Marks awarded						
>95	5	>95 5						
90 to 94	4.5	90 to 94 4.5						
85-89	4	85-89 (not eligible 4 to write exam)						
80-84	3.5	80-84 3.5						
75-79 (not eligible to write exam)	3	75-79 3						

70-74	2.5	70-74 2.5
65-69	2	65-69 2
60-64	1.5	60-64 1.5
55-59	1	55-59 1
50-54	0.5	50-54 0.5

<u>Internship</u>

30. Students will be eligible to do internship only after passing all the theory papers and clinical practicum examinations and duration will be for one academic year (10 months) split into two semesters (7th& 8th semester).

31. the candidates should do 5 months of internship in an external institute (approved by KUHS) and the remaining 5 months in the parent institute.

32. A candidate with 90% attendance during internship shall be eligible for appearing clinical practicum examinations at the end of 8th semester

Semester plans and daily reports

33. Semester plans for the semester should be submitted prior to starting the semester in the google sheets provided in the respective formats.

34. The daily reports should be updated after each class. Head of the Department and Academic Coordinator will be evaluating the reports every month-end, and the same will be locked after approval by the Head of the Department.

35. Subjects having a lag, has to be completed within the fifteenth of the following month

Degree HI

The department conducts all the examinations, other than the University conducted exams as specified in the regulations. The following examinations are normally conducted during an academic year, in addition to regular class tests.

- a) Two/Three internal assessments of which the best two performance will be considered
- b) End semester examination

The question papers for the internal assessment examinations are prepared by the concerned teachers. The question papers are prepared by the concerned teachers and submitted to the respective class coordinators by the dates stipulated in the Academic Calendar. The examinations are conducted as per the schedule given in the Academic Calendar, except for University held examinations.

Scheme of Evaluation

General Details.

The candidates shall be evaluated continuously through each semester. The evaluation for a subject shall involve -(1) Internal Assessment (IA) and (2) End Semester Examination (ESE).

The final marks for each subject shall be calculated with the following weights: Internal Assessment : 25% End Semester Examination : 75%

Internal Assessment (IA)

A maximum of three Internal Assessments, each consisting of a quiz, assignment and test paper, shall be conducted in each semester. The best two marks (IA) from the three shall be considered. Internal assessment marks shall be computed based on following:

- Quiz : 40% weightage
- Assignment : 20% weightage
- Test paper : 40% weightage

For practical subjects, mini project/lab record shall be considered as an Assignment for internal assessment.

End Semester examination (ESE)

The examinations for the Preparatory Semesters, namely the first and second semesters, shall be conducted by the Head of the Institute/Principal of the college. The marks obtained in the Preparatory semesters shall in no way be considered for the final grading of students for the issue of degree.

End Semester examinations for the odd Semesters, namely the third, fifth and seventh semesters shall be conducted by the Head of the Institute/Principal of the college. The marks secured by the candidate in the End Semester examination conducted by the Head of the Institute/Principal of the college shall be forwarded to the University by the Head of the Institute/ Principal of the college and shall be recorded in the consolidated mark list issued to the candidate on completion of the course.

For the even semesters i.e.; the fourth, sixth and eighth semesters, the University of Kerala shall conduct the End Semester examination.

Bachelor of Occupational Therapy (BOT)

Mechanism of Internal Assessment (variety, frequency transparency and robustness)

The student's academic performances are monitored continually during the academic year. The academic year is divided into three terms with each term duration of $3 - 3\frac{1}{2}$ months.

The students are assessed on a wide range of methods by the course instructors to test the students understanding of the course content, academic participation and to monitor students progress. Students are assessed by the following processes:

- Formative assessment: Includes quizzes.
- Summative assessments: It includes End-of-Term (EOT) exams and a mock exam.
- Participation in academic activities: Consists of students participation in: Assignment, Oral Presentation, Poster Presentation, Record Book and Field-Work or Clinical Postings (2nd year and above).

Format of Students Internal Assessments

A. Formative Assessment

1. Quizzes: This is a formative assessment. The instructor gives periodic quizzes to evaluate student's understanding of the lecture or of assigned reading material. These are short duration exams of 5-10

minutes and comprise MCQ's, fill-in-the-blanks, true/false, one-word or short-answers (2-3 sentences). It could be as a surprise or a planned test from the lecture(s) or reading given in the earlier classes.

2. Frequency: A minimum of two quizzes per academic term is given by the instructor. Average of performance on all the quizzes are considered for final computation of grades. However, if the quizzes are conducted more frequently, the instructor may drop one or two low scored quizzes.

B. Summative Exams

1. End-of-term (EOT) exams: This is a summative exam and is largely writing based and may include viva voce. It comprise of answering questions by writing an essay, writing short notes, and short answers ranging from 1-3 sentences on the topics covered during the term.

Frequency: A total of three end- of-term (EOT) exams are held in an academic year for each course. The syllabus topics are covered during the specific term period.

The maximum score is 50 and the duration is 1 & $\frac{1}{2}$ hours exam. The pattern typically mirrors the university exams pattern.

2. Mock Exam: It replicates the pattern of university exams and has similar pattern and format. Complete syllabus of a course is included for the mock exam.

C. Participation in academic activities:

1. Assignment: It is an individual task and takes the form of written work. The topic is assigned by the course instructor pertinent to their current course. The topics for the assignment comprise of writing essays/or reports on topics that:

i. involve a critical component and have debatable/opposing views

ii. Is a new development/ or opinion pertinent to the curriculum but not included in the syllabus yet

iii. Involves to collect, synthesize and draw conclusions of the information collected from literature.

Frequency: Students turn in two assignments per course for each year. The topics are announced at least one term ahead. The length of the assignment is 1000-1500 words.

2. Oral Presentations: It is a group activity, consisting of two students in a group. The groups may be constituted randomly or by the choice of the students. Individual presentation could be considered for the fourth year and internees.

These are to encourage verbal communication skills in students and also to assess organization and creativity. In each course students give presentations (oral) on the topics of interest to the curriculum. The topics may be of the instructor or of the student's choice. But it is preferred that the students choose their topics. The topics comprise of concepts or ideas of academic interests that are debatable, emerging interest or focus etc. The presentations are graded by at least two examiners and the result is an average of the examiners grading the presentation.

Frequency: One presentation per academic year

3. Poster Presentation

I-BOT: Poster Occupational Analysis

The purpose is to identify and demonstrate analysis of occupational activities (art and crafts) that are common and unique to the culture and to explore ways to adapt these for therapy. The work is presented in the **poster format on poster board**. Graphics or photos designed could be used to enhance understanding of the theme. Further guidelines and **grading criteria** are detailed in the class. **Frequency:** One per academic year

(Note: Oral presentation, activity analysis and Poster presentation are typically planned during May-June and between September-October of each year so that these presentations do not overlap with summative exams of other course and before the final exams)

4. Record: The purpose of the record book is to document the activities or experience during the lab works associated with the course. A procedure to document the activities, experiments or case-studies are explained as appropriate or required by the course. For example, for the I-BOT program each student will maintain two record books: A. An anatomical record book and B. Therapeutic activity record book. Second year BOT students will keep record book of clinical examinations methods.

4A. Anatomy Record Book

This primarily incorporates the musculo-skeletal system and or neurological system of human anatomy. Each student will draw a model from the list of 10 models provided. The specific requirements are detailed during the courses. The record book is graded based on a rubric explained in the class.

4B. Therapeutic Activity Record Book

This task will demonstrate emerging professional reasoning skills for information gathering, identifying occupational issues and possible interventions, as part of the occupational therapy practice process. Each student prepares and a reports analysis of the occupations in the format provided during the class. The record book is graded based on a rubric explained in the class.

Submission: The students will submit the anatomy record and therapeutic record twice in a year (once during the mid-year and finally at the end of the academic year). Late submission will attract penalty with deduction of 2% of internal assessment.

Calculation of internal assessment (IA) grades

The internal assessment is derived from the above mentioned activities. The maximum marks is 50 marks (KUHS).

The weightage of the various modes for internal assessment is as follows:

i. Internal Assessment Exam: 50%

ii. Quizzes : 10%

iii. Assignment	: 05%
iv. Record work	: 05%
v. Presentations	: 05%
vi. Poster/Model	: 05%
vii. Mock Exam	: 20%

Computation of final internal assessment marks: (i+ii+iii+iv+v+vi)/2

Attendance Marks: If the course Instructor can do so by giving weightage of no more than 5%. KUHS mandates a minimum 85% attendance requirement for appearing in the final university examination. The percentage of attendance and their equivalent points are shown as below:

attendance < 85% = 0 points (including condonation) 85 - 88% = 1; 89-91% = 2 points; 91-94% = 3 points; 94-97% = 4 points and 98-100% - 5 points.

Transparency

The transparency in the conduct of the summative exams/end-of-term (EOT) internal exams is ensured by implementation of the following process. The **course instructor** is primarily responsible for:

A. Theory Exams:

- i. Determine the syllabus for the internal exams
- ii. Ensure the date; time and venue are notified to all students
- iii. Prepare the question paper according to the approved pattern
- iv. Conducts the examinations as scheduled
- v. Invigilates the exams and ensures smooth conduct of the exam

vi.Reports any issues relating to indiscipline/and misconduct to the class coordinator/academic coordinator/HOD.

vii. Makes notes of any grievances during the exams and notifies to the Class coordinator/academic coordinator/ and HOD.

viii. Grading of answers (note: the grading of responses is preferably done by the instructor who teaches the topic or frames the question)

ix. Tabulates results and hands over to class coordinator or academic coordinator or HOD.

Practical Exams: Practical exams are held over two or three days

i. Forms students into two or more batches or groups

ii. Notifies the lab exam dates, time and venue for each batch

iii. Prepares the lab/model units for the exams

iv. Determines the viva questions

v. Computes the final score taking the average of the co-examiners

vi. Ensures the practical exams are conducted on time

B. After the Exams:

i. Ensures the answer scripts are evaluated and graded in 7-10 days.

ii. The results are tabulated and obtains approval from the HOD before posting on the notice board

C. After posting of Results:

i. Holds feedback meetings along with class coordinator and with students about their performances

ii. Prepares the minutes of the meeting

iii. Communicates the feedback with the academic coordinator/HOD

iv. Communicates the decision/intervention plan to the students.

Furthermore, the roles and responsibilities of the following designated faculties ensure the process is robust and unbiased.

Robust Mechanism of Internal Assessment Examination Process

1. Academic Coordinator: In consultation with the HOD,

i. Selects the dates for the internal assessment exams dates for various courses in accordance with the academic calendar

ii. For courses that require practical exams the co-examiners are identified in consultation. The approved dates are included in the monthly time-table and displayed on the notice board.

iii. Determines and approves the question paper format and marks distributions in accordance with the University exam pattern.

iv. Appointment of the invigilators for the exam

v. determine the co-examiner to assist the course instructor for the lab/practical exams

vi. Addresses the grievances in consultation with the HOD that may arise during the exams or refer to the grievance redressal committee of the institution (NISH) as appropriate)

2. Class Coordinator:

Primarily oversees the process of conducting the **theory and practical internal exams along with the course instructor**.

Class coordinator also communicates to the academic coordinator/HOD of any indiscipline behavior /and misconduct during the exams by the students.

A. Before Exams:

a. Ensures the question papers are received from the various course instructors (including from guest lecturers) for each year at least one week before the exams.

b. Validates the comprehensibility of the questions

c. Ensures desired number of copies of the exam papers are photocopied or printed and handover to the HOD in a sealed envelope. HOD is the custodian of the exam papers and hands over to the course instructor on the day of the exam to conduct the exams.

For courses given by guest faculties:

i. Communicates the exam schedule with the guest faculty

ii. Shares the model question paper with the guest faculty

iii. Ensures the desired number of copies of the exam papers are photocopied or printediv. The exam papers remain in the custody of the HOD and are handed over to the guest faculties or to the course instructor on the day of the exam.

B. After the Exams:

i. Gets feedback from the course instructors and the students on the exam held for any issues etc.ii. Follows up with the course instructors to grade the answer scripts within a week or 10 days.iii. Collects the graded answer scripts from the course instructors and the tabulated results of the exams and hands over to the Academic coordinator to verify and approve from the HOD.iv. Posts the results on the notice board.

C. After Declaration of Results:

i. Along with course instructor holds feedback meetings with students about their performances.ii. Prepares the minutes of the meeting and shares during the faculty meeting and with the course instructor including guest faculties.

3. Remedial interventions are planned following the remedial program guidelines of the department.

S.	Components	Hours	Marks							
No			Internal	External	Total					
1.	Theory	360	80 (40%)	120(60%)	200					
2.	Practical	1680	480(60%)	320(40%)	800					
3.	Fieldwork	80	100		100					
4.	Internship	180	100	-	100					
	Total	2400	760	440	1200

 To: aslp@nish.ac.in, NDS <ndsgrp@nish.ac.in>, ASLP & Allied <aslpallied@nish.ac.in>, Anas MB <anasmb@nish.ac.in>, anas M B <anasmblin@gmail.com>, Padmaja Ramdas <padmajaramdas@gmail.com>, Murali Nair

 <nairsm2009@gmail.com>, "muraleetvm35 ." <muraleegopal@gmail.com>

Dear all

the link for rules and regulations for the B.ASLP KUHS syllabus is attached (https://docs.google.com/ document/d/1JgE3nkzpvBzvGQKM_kwoMmEvGrxXLu-UDqR9Sg7P4a4/edit), kindly go through the same as the pattern of internal assessments and question paper pattern is also different, we also need to give assignments and IA calculation too is different,

A guideline also should be prepared and submitted by those faculty dealing with courses for B.ASLP, who are having individual clinical practicum for theory subjects and needs to be evaluated for 25 marks (will discuss in a staff meeting.)

	LP is as follows
Class Duration	13 May 2019 - 20 Sep 2019
No of Working Days	90 working days
Clinical Requirement	320 hours (6*60)
Theory Requirement	300 hours
Total Requirement	620 hours
Mid Semester Exam	8 July 2019
Model Exam	19 Aug 2019
Journal Submission	
Internal Viva	2 Sep 2019-Aud
	3 Sep 2019 -Sp
Submission of Internal marks	23-Aug
Remedial Measures any	25-30 Aug 2019
Publishing of IA Statement	5-Sep
IA and CCH Statement	As per KUHS
Signing the Final IA	20 Sep
IA statement to University	As per KUHS
Last working day	As per KUHS
University Exam	As per KUHS

Thanks Praveena Davis

Important Instructions strictly to be followed by the Training Institute

- 1. The Training Institute should strictly follow clause 'C.3 Internal Examination' of Scheme of Examination (2018) for the conduct of the internal examination.
- The Training Institute must refer and adhere to 'Para 13 and Para 5 Criteria for Passing' given in the curriculum framework (syllabus) of DTISL and DISLI course respectively with regards to the conduct of the internal examination.

"Each candidate should obtain minimum 50% marks in theory and 70% marks in practical, separately in internal as well as external examinations, for passing in the programme."

- 3. The students who have failed in the internal examination will not be eligible to appear in the final examination. Hence, the hall ticket will not be issued to those students who have failed in the internal examination even after the student has filled the examination form.
- The Course Coordinator/Head of the Training Institute should mention in the prescribed format about the students who have failed in the internal examination.
- 5. The Training Institute should submit the list of detained students, if any, due to lack of attendance or any other reason.
- 6. The Training Institute should also submit the absentee statement during the internal examination. If no student during the internal examination was absent, nil absentee statement should also be submitted.
- If there is any correction or overwriting on the furnished prescribed format, initial of faculty concerned must be affixed at each and every correction or overwriting.
- The Head of the Training Institute should ensure that internal assessment marks submitted are correct. Kindly ensure timely submission of internal assessment marks in the prescribed format.
- Filled-in formats duly authenticated by the Head of the Training Institute should be submitted to the Examination Section, ISLRTC, A-91, First Floor, Nagpal Business Tower, Okhla Phase-II, New Delhi-110020.
