The screenshot shows the Springer website for the journal 'Reading and Writing'. At the top, there is a navigation bar with the Springer logo, a search bar, and a 'Log in' button. Below the navigation bar, there is a banner for the journal 'Reading and Writing' with the subtitle 'An Interdisciplinary Journal'. Below the banner, there are links for 'Editorial board', 'Aims & scope', and 'Journal Updates'. The main content area features a paragraph about the journal's focus: 'Reading and Writing publishes high-quality scientific articles pertaining to the processes, acquisition, and loss of reading and writing skills. The journal fully represents the necessarily interdisciplinary nature of research in the field, focusing on the interaction among various disciplines, such as linguistics, information processing, neuropsychology, cognitive psychology, speech and hearing science and education. — [show all](#)'. Below the paragraph, there is a section titled 'For authors' with links for 'Submission guidelines', 'Ethics & disclosures', and 'Open Access fees and funding'. A notification box at the top right of the main content area says 'You have access to our articles'.

Call for Reviewers

300+ manuscripts are submitted to *CPCJ* annually. We need experts in all fields of cleft and craniofacial care to review these articles.

For more than 50 years, *CPCJ* has maintained the highest standards of research. It takes a team of reviewers, editors, and authors to keep this going.
